*Alla Parkhomenko PhD, Associate Professor of English, Kyiv State University*

An intensive course for students with little or no knowledge of Ukrainian. Basic grammatical structures are introduced and reinforced through an active oral approach. By the end of the course students are expected to develop the ability to conduct short conversations in a range of familiar situations related to daily activities, understand simple factual texts, and write routine messages, create with language, initiate, maintain and bring to a close simple exchanges by asking and responding to simple questions. A variety of genuine sources will be used to create an "authentic environment."
